

## **OPCAT visit to the Special Foster Home for Children with Disabilities of the Károlyi István Child Care Centre, Fót**

On 21 July 2015, staff members of the Office of the Commissioner for Fundamental Rights, acting as national preventive mechanism, conducted an unannounced visit to the Special Foster Home for Children with Disabilities and Special Needs of the Károlyi István Child Care Centre. At that time, children with disabilities were on holiday, so the visiting team paid another visit to the institution on 13 August 2015. Colleagues interviewed the children and the personnel taking care of them, examined the premises and equipment of the foster home and consulted the relevant documents. A report will be published on the findings and results of the inspection.

Members of the visiting team were:

- Sándor Gurbai, lawyer, head of delegation,
- Gábor Izsák, lawyer,
- Ágnes Kozicz, lawyer,
- Rita Rostás, psychologist, pedagogue.
