

OPCAT inspection in the Sátoraljaújhely Prison

On 19-21 July 2016, staff members of the National Preventive Mechanism visited the Sátoraljaújhely Strict and Medium Security Prison.

The purpose of the visit was to inspect the treatment of detainees and the circumstances of their detention. The members of the delegation examined the cell block, the community premises, and the workshops of the detainees. They made interviews with the leadership of the institute, the members of the staff and with detainees.

Members of the delegation included:

- Krisztina Izsó, senior advisor, head of the inspection
- Gergely Fliegau, Head of Department
- Eszter Gilányi, senior advisor
- István Sárközy, senior advisor

The results and conclusions of the inspection will be published in a report by the Commissioner for Fundamental Rights.
