

OPCAT visit to the Visegrád Assisted Living Center for the Elderly operated by the Visegrád Aranykor Foundation

On December 11, 2018, the staff members of the OPCAT National Preventive Mechanism Department, and two external experts paid a visit to the Visegrád Assisted Living Center for the Elderly operated by the Visegrád Aranykor Foundation.

The visit was aimed at examining the living conditions and treatment of the elderly residing in the institution. Members of the visiting team inspected the premises of the institution, conducted interviews with the personnel and the residents. The medical treatment and medication of the elderly were checked by a medical expert, catering to the residents was inspected by an expert dietician.

Members of the visiting team included:

- Krisztina Izsó, senior legal advisor, head of delegation
- Norbert Mézes, senior legal advisor
- Rita Rostás, psychologist, senior advisor
- Klaudia Kiss Tóthné, psychologist, senior advisor
- Zsolt Petke, physician – external expert
- Gabriella Hartmann, dietician – external expert

The Commissioner for Fundamental Rights as the National Preventive Mechanism will publish a report on the inspection.
